

TRANSITION AT ASSUMPTION COLLEGE

OUR GOAL

Starting high school is a big step. At Assumption College, we work closely with students, families, and primary schools to support a smooth, calm, and positive transition to Year 7. We want every student to feel supported, connected, and ready to begin their Assumption journey.

Primary School Visits

Our Transition Coordinator visits primary schools to meet students and begin building connections early.

Working with Year 6 Teachers

We liaise with Year 6 teachers to share key information and support a personalised transition for students.

Transition Day

Students visit Assumption College in early December to experience life as a Year 7 student, meet staff, and explore the campus.

Additional transition visits are available for students who would benefit from extra support.

First Day of School

At the start of the year, only Year 7 and Year 12 students are onsite, helping our new students settle in calmly.

Core Classes

Year 7 students stay together for core subjects in the one classroom, with teachers moving between lessons.

Year 7 Camp

Camp helps students build friendships, confidence, and a sense of belonging.
